OCTOBER
22ND

9:00 AM- Veterans memorial highway I-15 SantaQuin Exit 244. Take route 6 to Delta.

10:10 AM- Arrive at the Maverick fuel station. The city park is located at 100 W. Main Street. (nearby). Extra restrooms are available. This is also the location for the BBQ lunch at noon).

10:30 AM- Start drive by for area #1. (Factory). Continue to area #2. (Going back north to highway 50, head west (left) until just past the shoe tree, then turn right. It's a hard pan gravel road so it's best to go 20 mph for the 2 miles. On left R & D field. There are 20 fifty ft. towers. The farmhouse is on the left. This 4000 acres is where the lens tower material is stored until installation. Turning right on 1500 N. Brings us back to Stated Highway 50 where we head East (left) back to 75 W. Main. This is the Civic Center where there will be a video presentation of the automated factory, narrated by Neldon Johnson. (11:15-12:00).

12:00-1:00- BBQ lunch. Break for home.
